RAVE	RAVE refers to the campus emergency notification system that allows Campus Security to communicate quickly with students in the event of an emergency.
Registrar	The college official responsible for creating and maintaining permanent academic records, maintaining student academic files, and forwarding official student transcripts to employers and universities upon request.
Registration	The process of becoming officially enrolled in classes for a semester.
Residential Student	Students who live in one of the campus residence halls.

Semester	A semester is a period for which a class is offered. The fall and spring semester is typically 16 weeks long. The summer semester is five or 11 weeks in length, depending on the course selected.
6-drop Rule	Colleges may not permit an undergraduate student a total of more than six dropped courses, to include any courses a transfer student has dropped at another institution of higher education. Students can request an exemption with Admissions and Registration and provide proof of just cause.

Transcript	The official record of a student’s academic history. It includes all courses attempted and the grade earned in each.
Withdrawal	Withdrawal refers to the process of formally removing a student from all classes. Established procedures must be followed and withdrawal deadlines (found on the Academic Calendar) are strictly adhered to.

SECTION 5: STUDENT ACCOUNTS AND RECORDS

CHANGE OF NAME OR ADDRESS

Students who change their home or local address after registration or students who change their name after enrollment should notify the Office of Admissions and Registration of this change immediately. Communications from the college are mailed to the name and address on record. Diplomas are also printed using the official names on record. Students must note that changing an address does not automatically change a residency status.

Students are responsible for all material sent to them by the college. A student who fails to update their address with the college is still responsible for all communications sent to their address on file at the college. Find the forms to change name and address on the [WCJC website](#) under [Student Forms](#).

DELINQUENT ACCOUNTS AND RECORDS

Students who owe the college on any account will have their grade records withheld, be denied access to future registration, have their transcripts withheld, and be denied access to advising transcripts in their [Online Services](#) account.

Students are required to complete all aspects of their admissions file and keep it current, return college-owned property, and make full-payment of tuition, fees, and fines owed to the college. Inaccurate or incomplete student records may result in the withholding of transcripts and registrations.

TRANSCRIPTS

A [transcript](#) of college credits is an official copy of the student's permanent records bearing the college seal and the signature of the Dean of Enrollment Management/Registrar. Students can order official copies of their transcripts via [Parchment](#). All admission information must be on file and all holds must be cleared before a transcript can be released. Transcript fee is \$10 each.

SECTION 6: FERPA – FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

RIGHTS UNDER FERPA FOR POST-SECONDARY INSTITUTIONS

FERPA affords students certain rights with respect to their educational records. These rights include:

- The right to inspect and review the student's education records within 45 days of the day the college receives a request for access. A written request can be submitted to the Registrar and must identify the record the student is requesting to view. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's education records that the student believes are inaccurate. Students may ask the college to amend a record that they believe is inaccurate. They should write the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding a request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Optional: Upon request, the college discloses education records without consent to officials of another school in which a student seeks or intends to enroll (Note: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.)
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office

U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202

Further information concerning this policy and laws on which it is based is available through the [Office of Admissions and Registration](#).

DISCLOSURE OF DIRECTORY INFORMATION

Under FERPA, students have the right to prevent the disclosure of “Directory Information.” Directory Information is described as follows: name, address, telephone number, dates of attendance, class, previous institutions attended, major field of study, awards, honors, degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth. To prevent disclosure of directory information, complete the [Request to Prevent the Disclosure of Directory Information form](#) and send it to the Office of Admissions and Registration. A notification is sent to students each semester regarding the process to prevent disclosure of directory information. It is the student’s responsibility to read the notification. This form must be signed and received in the WCJC Office of Admission and Registration prior to the 12th class day in fall or spring semester and the 4th class day of the summer term to prevent disclosure for that semester. If not received by that date, it will be assumed that the above information may be disclosed for the remainder of the current semester. A new form for non-disclosure must be completed for each semester.

The Solomon Amendment requires that colleges provide information to military recruiters, upon request. This information is usually a subset of the directory information, but can include additional items.

DISCLOSURE TO PARENTS

FERPA permits post-secondary institutions to disclose any and all information from a student’s education records, without consent, to that student’s parents if the student is a dependent for tax purposes under IRS rules. The burden of proof, however, is on the parent to prove that the student is a dependent. Any student may sign a [release form](#) authorizing release of their educational records to their parents or others. FERPA also allows institutions to disclose information to appropriate officials in a health or safety emergency, including parents, if the emergency involves their child. FERPA permits a post-secondary institution to inform parents of students under the age of 21 when a student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

SECTION 7: ACADEMIC STANDARDS, POLICIES, AND PROCEDURES

The [College Catalog](#), published annually, is intended to provide a description of programs and activities offered at WCJC. It also includes a full list of academic standards, policies, procedures and definitions. All students are encouraged to refer to the [College Catalog](#) throughout their time at WCJC.

ACADEMIC CALENDAR

The [Academic Calendar](#) is the official calendar of the College. On the Academic Calendar, you will find the start and end dates of each semester, drop deadlines, holidays, final exam dates, etc. for each academic term.

CLASSIFICATION OF STUDENTS

Enrolled students are classified according to the number of hours completed and the number of hours in which they are enrolled.

- Freshman: A student enrolling in college for the first time or who at the time of registration has earned fewer than 30 semester hours of credit.
- Sophomore: A student who, at the time of registration, has earned at least 30 semester hours.
- Full-Time: A student who is enrolled for at least 12 semester hours.
- Part-Time: A student who is enrolled for at least one semester hour, but less than 12 semester hours.

COURSE OFFERINGS AND REGISTRATION

The College exercises the prerogative of choosing the courses to be offered during any semester. This offering is announced in the official schedule of classes for the semester. Courses are offered via face-to-face, hybrid and online instruction.

- Face to Face: Instruction offered in-person on a WCJC campus or location.
- Online: Conducted almost, if not entirely, online. Some instructors may require that students come to campus for orientations, field trips, or to take exams in an approved testing location. Students must have access to the internet and a computer with an external webcam if enrolled in an online course at WCJC. Students should also be familiar with email, the web, creating and saving documents, and uploading files.
- Hybrid: Any course that includes a combination of online learning and face-to-face instruction. These courses provide 50-85% of class instruction in an online setting. The remainder of the instruction takes place in a traditional face-to-face setting. Students must have access to the internet and a computer with an external webcam if enrolled in an online course at WCJC. Student should also be familiar with email, the web, creating and saving documents and uploading files.

All available courses are listed in the [College Catalog](#). Students should refer to their academic or vocational map when selecting courses. Academic Advisors are also available to assist students in course selection, if needed. However, students have the ultimate responsibility for all decisions regarding course registration. During the [registration period](#), students are able to register for their courses through [Online Services](#).

CREDIT HOURS

The unit of measurement for academic work is the credit hour. One credit hour represents the credit earned in a course that is scheduled for one class hour a week for a semester. Most courses meet three hours a week and have a credit value of three semester hours.

COURSE LOAD

The normal course load for the fall or spring semester shall be 15 semester hours. A student is considered a full-time student when registered for 12 semester hours. Course loads in excess of 19 semester hours shall require approval by the Vice President of Instruction.

The normal course load for the summer session shall be six (6) semester hours for each five-week term or 12 semester hours for an 11-week summer semester. Course loads in excess of seven (7) semester hours per five-week-part-of-term or 14 semester hours per 11-week summer semester shall require approval by the Vice President of Instruction.

The normal load during a mini semester shall be one course of three or four credits.

FINANCIAL RESPONSIBILITY

As a condition of a student's enrollment, tuition and fees are due at the time of registration and may be paid with cash, credit card, check, financial aid, scholarship or a third party. If a student becomes delinquent regarding any debt with the institution, the student will be denied future enrollments and release of official academic transcripts.

ADDING COURSES

Courses can be added to your schedule throughout the registration period and through the second day of classes during a regular, 16-week session of the fall and spring semesters (through the first day of a 17-week, 14-week, or 5-week part-of-term or any mini or summer semester). Late registration fees apply for registration after the semester begins. No courses may be added after the second day of classes during the 16-week semester or after the first class day for any other part-of-term.

DROPPING COURSES

Once classes begin, you must officially drop a course through your Online Services account or by submitting a [Course Drop form](#) to the Admissions and Registration Office. Students may drop a course up until the official course drop deadline (see [Academic Calendar](#)) and may withdraw completely from ALL courses up until the last day of classes for that semester, prior to the start of final exams. Students are expected to meet all financial obligations for the course per the College's "Drips and Withdrawals" deadlines, updated each semester on the College's website. Please keep in mind that dropping a course or withdrawing from the college completely may affect current and future financial aid and could result in a student owing money to the college. It is recommended that students check with the Financial Aid office prior to dropping a course.

See the [Academic Calendar](#) for specific withdrawal deadline dates.

LIMITATIONS ON NUMBER OF DROPPED COURSES

Students are not permitted to drop more than six (6) courses taken while enrolled at WCJC or another public institution of higher education. For the limit to apply:

- The student must be permitted to drop the course without receiving a grade or being penalized academically;
- The student's transcript must indicate or will indicate the student was enrolled in the course; and
- The student must not have dropped the course to withdraw from the College.

A student shall be permitted to exceed the limit on the number of dropped courses for any of the following reasons:

- A severe illness or other debilitating condition that affects the student's ability to satisfactorily complete a course;
- The care of a sick, injured, or needy person if providing that care affects the student's ability to satisfactorily complete a course;
- The death of a member of the student's family as defined by law;

- The death of a person who has a sufficiently close relationship to the student as defined by law;
- The student’s active military duty service;
- The active military service of a member of the student’s family or a person who has a sufficiently close relationship to the student; or
- A change in the student’s work schedule that is beyond the student’s control and affects the student’s ability to satisfactorily complete the course.

ATTENDANCE

Regular class attendance and participation is conducive to optimum achievement. A student enrolled in a course may be advised to withdraw from the course by the instructor if the student acquires absences in excess of two weeks’ work and cannot, in the instructor’s judgment, achieve the minimum course objectives. All instructors must include in the course syllabus a statement defining specific attendance policies for their individual courses.

Absences necessitated by participation in college-sponsored activities which are not class related must be authorized in advance by the Office of the Dean of Student Success. Absences which are class related must be authorized in advance by the Office of the Vice President for Instruction.

FINAL EXAMS

All academic courses administer final exams. The [final exam schedule is located online](#) and is available at the start of each term.

GRADING AND GRADE POINTS

The College considers grades extremely important permanent records and requires instructors to communicate their specific grading policies for each class at the beginning of the semester. At the end of the semester, the College requires instructors to submit final grades for all officially enrolled students.

Grade notations are as follows:

A	Excellent	4 grade points per semester hour
B	Good	3 grade points per semester hour
C	Average	2 grade points per semester hour
D	Poor	1 grade point per semester hour
F	Failure	0 grade points per semester hour
I	Incomplete: This grade is allowed for an extenuating circumstance, such as an emergency, and the instructor has the discretion to allow make-up work, contingent upon division chair approval. By mid-semester of the next full 16-week term, an “I” not made up will convert to an “F”.	
W	Withdrawn: This grade indicates an official withdrawal from a course by the student or by administrative action after the attendance verification day and prior to the official drop date. This grade does not count toward the six-drop limit.	

WX Withdrawn: This grade indicates an official withdrawal from a course by the student or by administrative action after the attendance verification day and prior to the official drop date. This grade does count toward the six-drop limit.

X Audit: No credit and no grade.

GPA is calculated by adding the total number of grade points earned and then dividing by the total number of hours attempted at the College.

ACADEMIC PROBATION

Failure to achieve the required minimum standard of work (institutional cumulative average of at least 2.0 GPA) will result in a student being placed on academic probation for the next semester in which they are enrolled.

Students on academic probation are encouraged to reduce their course load and to reexamine and adjust their educational objectives, their workloads and their study habits.

Students on academic probation are removed from probation when they have achieved the required minimum standard of work of a 2.0 institutional cumulative GPA or higher.

ACADEMIC SUSPENSION

Failure to achieve the required minimum standard of work while on academic probation results in academic suspension from the College for the following regular semester (full fall, spring or summer term). A student who has been academically suspended from the College for poor scholarship and who re-enters after sitting out one full semester, re-enters on academic probation.

Students who are academically suspended for the first time and have a cumulative institutional GPA between 1.50 and 1.99, are eligible to appeal the suspension and request readmission. Students who meet these qualifications and would like to appeal their suspension should submit their appeal through the [Petition for Readmission form](#). Appeals must be received at least 10 calendar days prior to the start of the academic term.

GRADUATION

Before applying for [graduation](#), students need to verify they meet all [degree requirements](#) for graduation. To do this, a student can process a [degree evaluation](#) through [Online Services](#) to verify all course requirements have been met. After verifying all degree requirements have been met, the student can [submit an application for graduation](#) by the [published deadline](#).

TRANSCRIPTS

A transcript of college credits is an official copy of the student's permanent record bearing the college seal. For a fee, students may obtain copies of his or her transcript by requesting transcripts through [Parchment](#). All admission information must be on file, and all holds must be cleared before a transcript can be issued.

APPEAL OF ACADEMIC DECISIONS

If a student feels that their rights have been violated, [Policy FLD - Student Complaints](#) provides the policy and process for working through a grievance. Grievances can include both non-academic (i.e. discrimination, actions of college or other students) and academic (grade appeal, academic decisions) concerns. The Section 10 in this handbook on student grievance procedures details the process for

filing a grievance.

ACADEMIC INTEGRITY

Every offense against academic honesty seriously undermines the teaching-learning process for which the College exists; such offense will be dealt with expeditiously according to the following criteria.

- A. Academic Dishonesty includes cheating, plagiarism and collusion.
 - a. Cheating, which includes, but is not limited to:
 - Copying from another student's test or class work.
 - Using test materials not authorized by the person administering the test.
 - Collaborating with or seeking aid from another student during a test without permission from the test administrator.
 - Knowingly using, buying, selling, stealing, or soliciting, in whole or in part, the contents of an unadministered test, paper, or another assignment.
 - The unauthorized transporting or removal, in whole or in part, of the contents of the unadministered test.
 - Substituting for another student, or permitting another student to substitute for one's self, to take a test.
 - Bribing another person to obtain an unadministered test or information about an unadministered test.
 - Manipulating a test, assignment, or final course grade.
 - b. Plagiarism – the appropriating, buying, receiving as a gift or obtaining by any means another's work and the unacknowledged submission or incorporation of it in one's own written work.
 - c. Collusion – the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements.
 - d. Any other conduct which would be recognized as dishonest in an academic setting
- B. Charge of Academic Dishonesty
 - a. Faculty who consider that they have a valid case of academic dishonesty against a student must inform the student of the charge and the resulting penalty, outlined in the course syllabus.
 - b. A record of the offense will be held in the Dean of Student Success office.
 - c. A student wishing to appeal the charge of academic dishonesty may submit an academic grievance. Only the charge of academic dishonesty can be grieved, not the penalty.
- C. Multiple Offenses
 - a. Multiple academic dishonesty offenses may result in immediate suspension from the College and /or other sanctions as deemed by the Dean of Student Success or Vice President of Instruction.
 - b. Some campus programs have academic dishonesty procedures / sanctions specific to their program. Please see the program handbook for how academic dishonesty is handled in the specific program.

SECTION 8: FINANCIAL AID AND SCHOLARSHIPS

APPLYING FOR FINANCIAL AID

Financial aid is provided to students through scholarships, grants, loans and on-campus or community service employment. All students are encouraged to file for financial aid. Inquiries concerning student aid should be addressed to the [Student Financial Aid Office](#) at (979) 532-6345 or finaid@wcjc.edu. Applications for financial aid should be completed accurately and received in the Financial Aid Office along with any additional required forms by the [priority deadline](#). Notifications to students regarding their financial aid processes (missing documents, award information, status, updates, etc.) will be posted in a student's [Online Services](#) account.

Students should open their [Online Services](#) account as soon as they receive notification via their WCJC email that their account is available, and then monitor that account on a regular basis.

[View more information about Financial Aid and the "5 Steps to Financial Aid."](#)

SATISFACTORY ACADEMIC PROGRESS (SAP)

Under current federal law, all students who receive federal or state financial aid must be making [satisfactory progress](#) as defined by the college in order to receive or continue to receive that aid.

The following are the requirements at Wharton County Junior College:

- All recipients of financial aid must be enrolled in a program of study leading to an associate's degree, an eligible certificate, or program that is transferable toward a baccalaureate degree.
- Students receiving financial aid must maintain a 2.0 term and cumulative grade point average on all college level credit hours (this includes developmental studies credit hours) attempted at WCJC in order to remain eligible for financial aid.
- Students receiving financial aid must successfully complete 67% of all institutional and transferable credit hours attempted regardless of whether financial aid was received for the credit hours.
- A student is only eligible for financial aid up to 150% of the credit hours required in their program. (Eligibility is lost beyond this limit). Example: An Associate of Arts Degree with a Business Administration concentration requires 60 credit hours. $60 \text{ credit hours} \times 150\% = 90 \text{ credit hours}$, after 90 credit hours eligibility for financial aid is lost.
- Satisfactory progress will be measured three times per year, at the end of each semester, fall, spring, and summer. The evaluation will be made regardless of the number of credit hours attempted during the semester.
- Course work attempted and grades earned in semesters forgiven through the State of Texas "Academic Fresh Start" program will be included in the Satisfactory Progress calculation.
- Grades of A, B, C, and D are considered credit hours attempted and successfully completed (earned).
- Grades of F, I (Incomplete), and W (Withdrawals and Drops), are counted as credit hours attempted but not successfully completed (unearned).
- Course repeats are counted as attempted credit hours and either earned or unearned depending upon the grade assigned as noted above. Last grade is included for GPA purposes.
- Only the first two attempts of a course completed with a passing grade can be paid by financial aid. The third attempt cannot be included for payment purposes.

- Financial aid is available for only the first 30 semester credit hours of remedial coursework attempted. Remedial coursework is counted in the 67% completion rate.
- Students who receive all F's, W's, or I's or a combination of these will be placed on financial aid suspension. Students placed on suspension as a result of this action (receiving all F's, W's or I's for an enrollment period) that can document mitigating circumstances for a withdrawal may file a financial aid appeal to attempt to reinstate eligibility for aid.

These circumstances include but are not limited to:

- Student health issues that resulted in withdrawal from the college
- Verifiable errors by college that resulted in withdrawal
- Deployment into active military service
- Students not meeting the minimum Satisfactory Academic Progress criteria at the end of their warning (probation) period will be suspended from receiving financial aid.
- Students placed on "suspension", may continue to enroll at the college but must pay for their coursework from their own funds.
- Financial aid eligibility will be reinstated after a student meets the Satisfactory Academic Progress criteria (listed above), both the completion rate (67%) and term and cumulative institutional grade point average (2.0).
- A student who has been suspended from financial aid for failure to meet the satisfactory progress requirements outlined in this policy due to mitigating circumstances may appeal the decision by completing an appeal form, explaining their mitigating circumstances, and providing appropriate documentation to support their claim. Appeals without documentation will not be considered.
- A student must be able to meet the satisfactory academic progress requirements within one semester or an appeal cannot be approved.
- When a student has an appeal approved, they are placed on a financial aid probationary status for one semester. Probationary students who do not meet the satisfactory progress requirements will again be suspended.
- When the number of credit hours required for completion of a degree plus the number of credit hours attempted (including transfers) exceeds 150% of the hours required for a degree, the student becomes immediately ineligible for further financial aid. (Maximum Time Frame Suspension).
- Appeals for attempting beyond the maximum time frame require a copy of a degree plan and an appeal form explaining why the additional coursework is necessary. The student must be meeting the 67% and 2.0 term and cumulative GPA for all institutional hours attempted in order for the appeal to be reviewed by the committee.

STUDENT RESPONSIBILITIES REGARDING FINANCIAL AID

Students are responsible for understanding and monitoring their own satisfactory progress status. Although the Financial Aid Office attempts to notify students of their financial aid status, failure to receive notice does not affect the calculated status and is not a reason to appeal. Students can monitor their status in [Online Services](#).

FINANCIAL AID REQUIREMENTS

Financial Aid will NOT be provided for certain courses. Please be aware of the following stipulations:

- All recipients of financial aid must be enrolled in a program of study leading to an associate degree, an eligible certificate, or program that is transferable toward a baccalaureate degree.
- Students may only receive aid at one institution per semester.
- Students can only receive financial aid for classes that are required as part of their WCJC degree or certificate plan. Financial aid does not apply to courses taken by audit, credit hours earned by placement tests, continuing education courses, and courses taken outside a student’s degree plan.
- Students must have a diploma from an accredited high school or a recognized equivalent of a high school diploma, typically a General Education Development (GED) certificate. Transcripts from private and foreign schools and home school transcripts will be evaluated on a case-by-case basis. WCJC reserves the right to deny financial aid to any student who does not have a high school diploma or GED from a recognized and accredited institution.
- Financial aid is available for only the first 30 semester credit hours of remedial or developmental coursework attempted. Remedial or developmental coursework is counted in the 67% completion rate. Remedial coursework includes courses that are not part of the student’s program plan but are prerequisite courses for entry into courses that are part of the student’s program plan.

FINANCIAL AID CENSUS DATE

[Financial Aid Census Date](#), also known as a “Freeze Date,” is the day the WCJC Financial Aid Office will review all students receiving financial aid enrollment for the semester. The number of eligible registered hours on the Freeze Date will determine the Financial Aid Award for the semester.

This date is important to know because if a student increases or decreases their enrollment level prior to the Financial Aid Census Date (Freeze Date), financial aid awards will be adjusted, as appropriate, to ensure that the allocation award is correct.

RETURN OF TITLE IV FUNDS

WCJC returns unearned funds received from Federal student assistance programs to the proper program accounts or lenders in accordance with Federal Title IV student assistance regulations, as amended, under 34CFR, section 668.22(d) of the Reauthorization of the Higher Education Act of 1965 and with rules of the Texas Higher Education Coordinating Board.

The student receiving assistance from Federal Title IV programs is required to complete a minimum number of hours for which assistance was received. If the student completely withdraws from school during the semester, or quits attending, but fails to officially withdraw, the student may be required to return the unearned part of funds which were received to help pay educational expenses for the semester.

[Learn more about Return of Funds.](#)

SECTION 9: STUDENT RIGHTS AND RESPONSIBILITIES / CODE OF CONDUCT

The College recognizes the necessity of establishing clear guidelines for student conduct to ensure the protection of rights for the individual and for the college as an institution of education. In addition to other formal rules and policies, the following statements adopted by the College apply to all individuals of the college community, as well as, its guests.

A student is defined as an individual who is currently enrolled in the College and any prospective or former student who has been accepted for admission or readmission to the College.

1. To learn, teach, study, and search for truth without interference or harassment.
2. To move about the campus and in campus buildings freely and without interference or harassment.

To be treated at all times with courtesy and respect, regardless of ethnic origin, cultural background, sex, creed or ideology, as long as one displays regard for the rights of others that are provided in this statement of individual rights.

If a student feels that their rights have been violated, [Policy FLD - Student Complaints](#) provides the policy and process for working through a grievance. Grievances can include both non-academic (i.e. discrimination, actions of college or other students) and academic (grade appeal, academic decisions) concerns. Section 10 in this handbook on student grievance procedures details the process for filing a grievance.

The College President shall hold a conference within ten College District business days after the appeal notice is filed. At the conference, the student may provide information concerning any documents or information relied on by the committee. The College President may set reasonable time limits for the conference. The conference shall be audio recorded.

The College President shall provide the student a written response, stating the basis of the decision, within ten College District business days following the conference. The College District shall determine whether the appeal will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BD]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student and the administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the appeal and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the hearing. The hearing, including the presentation by the student or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the evidence. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If for any reason the Board fails to reach a decision regarding the evidence by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the Dean of Student Success's decision.

8. Expulsion Hearing - If the Dean determines that the student's misconduct warrants expulsion [see Conference, above], the Board shall convene to conduct an expulsion hearing. The College President or designee shall inform the student of the date, time, and place of the Board meeting at which the appeal will be on the agenda for presentation to the Board. The notice shall contain the contents described at Disciplinary Appeals Committee—Contents of Notice, above.

The College President or designee shall provide the Board the documentation presented by the Dean of Student Success.

The Board shall proceed according to the procedures set out at Disciplinary Appeals Committee—Failure to Appeal for Hearing, Hearing Procedure, and Evidence, above, with the Board substituted for references to the committee and the presiding officer of the Board substituted for the committee chairperson.

SECTION 10: STUDENT GRIEVANCE

The College strives to provide a safe, humane and responsive learning environment for students. When conflicts arise, students are encouraged to resolve the complaint/grievance informally, first by meeting with the person directly involved with the grievance. In the case that an issue cannot be resolved informally, the student has a right to initiate a formal complaint. Student complaints or grievances may include, but are not limited to, a grade appeal, academic decision, classroom instruction, campus services or offices or issues with other students.

Filing a Formal Grievance / Complaint / Appeal

The student must file a grievance of an academic or non-academic decision within 15 business days of the date the student first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance. The student must submit the appeal in writing on the [Grievance Form](#). No anonymous grievances will be accepted. Documentation that supports the grievance should be submitted with the Grievance Form. If unable to submit documents at that time, documents may be presented at the Level One conference; however, no new documents may be

submitted by the student after the Level One conference unless the student did not know the documents existed before the Level One conference.

The written appeal must state:

- a description of the decision being challenged and
- the action or outcome the student is seeking.

Procedures

The College encourages students to discuss an academic concern with the appropriate instructor or a non-academic concern with the campus administrator who has the authority to address the concern. This informal resolution shall not extend any deadlines in the appeal process, except by mutual written consent. Either party may invite a witness or mediator to attend any meetings in which the appeal is discussed. A student whose concern is resolved in the informal resolution may withdraw a formal complaint at any time.

The appropriate administrator shall investigate an appeal as necessary and schedule a conference with the student within 10 business days after receipt of the written complaint. The student will be notified in writing of a decision within 10 business days following the conference. Any further appeals must be initiated within 10 business days of the date of the written response from the previous appeal or, if no response was received, within 10 business days of the response deadline.

1. Level One: Appeal to the Division Chair for Academic Complaints or Dean of Student Success (Dean) for Non-Academic Complaints
 - a. If the student is not satisfied with the decision of the instructor (academic) or campus administrator (non-academic), the student may appeal in writing (through the [Grievance Form](#)) to the Division Chair (academic) or Dean of Student Success (non-academic).
 - b. The student may provide supporting documents prior to or during the conference.
2. Level Two: Appeal to the Vice President of Instruction
 - a. If the student is not satisfied with the decision of the Division Chair/Dean, the student may appeal in writing (through the [Grievance Form](#)) to the Vice President of Instruction (VPI).
 - b. The Division Chair/Dean forwards Level One records to include the original Grievance Form, any documents submitted by the student at Level One, Division Chair/Dean written response noting the basis of the decision, and any other documents relied upon by the Division Chair/Dean in reaching the decision.
3. Level Three: Appeal to the College President
 - a. If the student is not satisfied with the decision of the VPI, the student may appeal in writing (through the [Grievance Form](#)) to the College President.
 - b. The VPI forwards the Level One records, the written response of the VPI, and any other documents relied upon by the VPI in reaching the decision.
4. Level Four: Appeal to the Board
 - a. If the student is not satisfied with the decision of the President, the student may appeal in writing (through the [Grievance Form](#)) to the Board.

- b. The President forwards the Level One and Level Two records, the written response of the President, and any other documents relied upon by the President in reaching the decision.
- c. The President informs the student of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.
- d. The Board determines if the complaint will be presented in open or closed meeting. The presiding officer may set reasonable time limits and guidelines for presentations.
- e. The Board shall prepare a separate record of the Level Four presentation and all components of presentations and questions shall be recorded.
- f. The Board may give notice of its decisions orally or in writing at any time up to and including the next regularly scheduled Board meeting. Lack of response by the Board upholds the administration decision at Level Three.

Other Processes

1. If a student fails to appear at a scheduled conference, the College may hold the conference and issue a decision in the student's absence.
2. The day a complaint or document is filed is "day zero"; the following day is "day one."
3. All time limits shall be strictly followed unless modified by mutual written consent.
4. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student, at any point during the complaint process. The student may appeal the dismissal by seeking review in writing within 10 days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

The Campus Security and Public Safety office has a presence on all campus locations, with the main office located on the Wharton campus, in the Campus Security Building (next to the Pioneer Student Center). Additionally, there are emergency call boxes located throughout the Wharton campus which connect directly with campus security officers. Campus Security Officers enforce college policy and regulations and have working relationships with local and state law enforcement agencies and calls upon them to enforce city, state and federal laws. Campus security officers can provide security escorts on campus if requested and are ready to assist the campus community with issues regarding campus parking, emergency management, as well as all aspects of personal safety.

The Office of Security and Public Safety can be reached at the following numbers:

Wharton Campus – 979-532-6523

In addition to any additional contact person designated by the student, if the student is less than 18 years of age and not emancipated, the college will attempt to notify a custodial parent or guardian not more than 24 hours after the student is determined to be missing by Campus Security. The Office of Security and Public Safety will initiate emergency contact procedures once a student, for whom a missing persons report has been filed, has been missing for 24 hours.

EMERGENCY NOTIFICATION SYSTEM

WCJC has partnered with RAVE Mobile Safety to provide an emergency alert system capable of delivering messages to your WCJC and personal email addresses, as well as land lines and cell phones, in the case of an emergency. Students' WCJC emails are automatically enrolled in RAVE; however, students are encouraged to add their personal email, cell phone, and home phone numbers into the [RAVE system](#) as well, to ensure receipt of emergency notifications.

Students should login to the [RAVE system](#) each semester to confirm contact information and choose notification preferences.

Note: Cellular phone provider may charge a per-text message fee for the delivery of emergency notifications to your phone.

media. Notices of suspended classes and other emergencies may also be sent out via RAVE, our emergency notification system.

In the event of cancellation of classes, the classes missed may be made up by holding classes on weekends, evenings, and/or holidays, or by extending the year end of a session or semester. Students are responsible for monitoring the college notices sent out regarding closings and suspension of activities.

FIREARMS ON CAMPUS

WCJC prohibits the use, possession, or display of a firearm on College District property or at College District sponsored events or related activities. WCJC also prohibits the open carry of handguns or other firearms on College District property. However, per [WCJC Policy CHF](#), an individual who possesses a valid License to Carry (LTC) may carry a concealed handgun on or about their person on WCJC campuses and in buildings, except in designated Exclusion Zones, notated with signage. Handguns must be carried in a retention holster that covers the trigger. In compliance with Texas Penal Code, Section 46.035(a-1), a LTC holder may not carry a partially or wholly visible firearm on campus premises or on any college driveway, street, walkway, sidewalk, parking lot, parking garage or other parking area.

The above information is a summary of WCJC policy on Campus Carry – [WCJC Policy CHF](#). It should be noted that WCJC Sugar Land Campus is regulated by the University of Houston Campus Carry policy.

The College District shall promptly provide written notice to the parties of an extension and the reason for the extension.

Reporting Procedures

A victim of prohibited conduct has the right to report the incident to the College District and to receive a prompt and equitable resolution of the report.

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to the Title IX Coordinator, the College President, or another employee. A report against the College President may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation. A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct.

Alternatively, a student may submit the report electronically through the College District’s website. The submission of an anonymous electronic report may impair the College District’s ability to investigate and address the prohibited conduct.

A victim of a crime has the right to choose whether to report the crime to law enforcement, to be assisted by the College District in reporting the crime to law enforcement, or to decline to report the crime to law enforcement.

It is important that a victim of prohibited conduct go to a hospital for treatment and preservation of evidence, if applicable, as soon as practicable after the incident.

Title IX Coordinator for Students

Reports of discrimination based on sex, including sexual harassment and gender-based harassment, may be directed to the Title IX Coordinator. The College District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended, and related state and federal laws:

Title IX Coordinator for Students: Lindsey McPherson, Dean of Student Success

Physical Location: Pioneer Student Center, Wharton Campus, 2nd floor
Telephone: 979-532-6905

Timely Reporting

A failure to immediately report prohibited conduct may impair the College District's ability to investigate and address the conduct.

Advisor

Each party to the complaint may be assisted by an advisor of the party's choice who may participate in the proceedings in a manner consistent with College District procedures.

Investigation of the Report

The College District may request, but shall not require, a written report. If a report is made orally, the Title IX Coordinator, or designee, shall reduce the report to written form.

- A. Initial Assessment** - Upon receipt or notice of a report, the Title IX Coordinator shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the Title IX Coordinator shall promptly offer supportive measures to the complainant. The Title IX Coordinator shall explain the process for filing a formal complaint and assess any request not to investigate. If the College District moves forward with the investigation, the Title IX coordinator shall immediately provide notice to the known parties to the complaint. If the Title IX Coordinator determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the Title IX Coordinator shall refer the complaint for consideration under the appropriate policy.
- B. Request Not to Investigate** - The complainant may request that the College District not investigate the allegations. If the complainant requests that the allegations not be investigated, in deciding whether to initiate the investigation, the College District must consider the factors described by law and any other factors the College District considers relevant. The College District shall promptly notify the complainant of the decision regarding whether it

will conduct the investigation. If the College District decides not to investigate the allegations, the College District shall take reasonable steps to protect the health and safety of the College District community.

- C. Formal Complaint** - To be considered a formal complaint under Title IX, the complainant or the Title IX Coordinator must sign the written report.
- D. Notice to Parties** - The notice to the parties must describe the allegations and the formal and informal options for resolution of the complaint. The notice must state that the respondent is presumed not responsible until a determination regarding responsibility is made. The notice must also include information regarding the option to select an advisor, the opportunity to inspect and review evidence, and the prohibition on knowingly making false statements or submitting false information during the investigation and any ensuing proceedings.
If the allegations are subsequently amended, the College District shall provide an updated notice reflecting the new allegations.
- E. Informal Resolution** - The College District may offer to the parties a process for the informal resolution of a formal complaint as defined by law. If the parties voluntarily agree in writing to participate in informal resolution of the complaint, the Title IX Coordinator shall determine within three days if informal resolution is appropriate for the complaint. If the Title IX Coordinator determines that informal resolution is appropriate, then the Title IX Coordinator or designee may facilitate that resolution within ten (10) days. If the Title IX Coordinator does not determine informal resolution to be appropriate, then the complaint will be subject to the formal resolution process. This process is not available in situations where an employee is alleged to have sexually harassed a student.
- F. Formal Resolution** - If the complaint is not subject to the informal resolution process, the Title IX Coordinator shall authorize or undertake an investigation, except as provided below at Criminal or Regulatory Investigation.
- G. Supportive Measures** - If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the Title IX Coordinator shall promptly provide supportive measures intended to address prohibited conduct, protect the safety of the parties and others, and protect the parties from retaliation prior to the completion of the investigation. Examples of possible supportive measures include academic accommodations, such as extensions of deadlines or other course-related adjustments and modifications of class schedules; housing and dining modifications; temporary removal from an education program or activity in accordance with law; counseling; health services; campus escort services; mutual restrictions on contact between the parties; and increased security and monitoring of certain areas of the campus.
- H. College District Investigation** - The investigation may be conducted by the Title IX coordinator or designee or by a third party designated by the College District, such as an attorney. The investigation may consist of personal interviews with the complainant, the respondent, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.
The parties shall be provided an equal opportunity to present witnesses and evidence and to

inspect and review any directly related evidence obtained by the College District so that the parties may meaningfully respond during the investigation process. The parties expected to participate in an investigative interview or other meeting shall be provided written notice in enough time to prepare to participate.

At least ten (10) days prior to the completion of the investigation report, the College District must send each party and the party's advisor evidence subject to inspection and review. The parties may submit a written response for consideration by the investigator.

- I. **Criminal or Regulatory Investigation** - If a law enforcement or regulatory agency notifies the College District that a criminal or regulatory investigation has been initiated, the College District shall confer with the agency to determine if the College District's investigation would impede the criminal or regulatory investigation. The College District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, the College District shall promptly resume its investigation. Any delay under this provision shall constitute good cause for an extension of timelines established by this policy and associated procedures.

Concluding the Investigation

The investigation shall be completed within a reasonable time, not to exceed 30 days from the date of the report.

The investigator shall prepare a written report of the investigation. The investigation report shall be filed with the Title IX Coordinator within five days following the completion of the investigation.

- A. **Notification of the Report** - The Title IX Coordinator shall provide the investigation report, within the extent permitted by the Family Educational Rights and Privacy Act (FERPA) or other law, to the complainant and the respondent promptly following receipt. The parties shall be given ten (10) days to respond to the report.

College District Action

The Title IX Coordinator shall submit the investigation report and any response from the parties to the Case Decision Maker promptly after receipt of the parties' response but no later than the expiration of the parties' deadline to respond.

The Decision Maker, or designee, shall summon the parties for a hearing to be held within a reasonable time, not to exceed ten (10) days, following the receipt of the investigation report. The hearing shall be conducted in accordance with law and College District procedures.

After the hearing, the Decision Maker, or designee, shall determine whether each individual allegation of prohibited conduct occurred using a preponderance of the evidence standard and determine the appropriate disciplinary or corrective action. In making the determination, the Decision Maker, or designee, shall evaluate all relevant evidence objectively and shall not make credibility assessments based on a person's status as the complainant, the respondent, or a witness. The Decision Maker, or designee, shall create a written determination regarding responsibility in accordance with law and College District procedures within five (5) days following the hearing and submit the determination to the parties simultaneously.

Disciplinary or Corrective Action

If the Decision Maker, or designee, determines that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

Examples of disciplinary or corrective action may include:

- Implementing the disciplinary measures described in [WCJC Policy FM](#) (for students) or [WCJC Policy DH](#) and [DM](#) series (for employees);
- Providing a training program for those involved in the complaint;
- Providing a comprehensive education program for the College District community;
- Providing counseling for the victim and the party who engaged in prohibited conduct;

Dismissal of Complaint

- A. Mandatory Dismissal** - An allegation presented as a formal complaint under Title IX is subject to the mandatory dismissal procedures under law.
- B. Permissive Dismissal** - Any complaint may be dismissed at any time on request of a complainant. The Title IX Coordinator must first assess the request in accordance with this policy at Request Not to Investigate, above. A complaint may also be dismissed if specific circumstances prevent the College District from gathering evidence sufficient to reach a determination as to the complaint or allegations.
- C. Notice of Dismissal** - Upon dismissal of a complaint, the Title IX Coordinator shall provide the parties written notice of the dismissal.

Confidentiality

To the greatest extent possible, consistent with law, the College District shall respect the privacy of the complainant or the respondent or a person who makes a report or serves as a witness. Limited disclosures may be necessary to carry out the purposes of this policy and associated regulations and to comply with applicable law.

Retaliation

The College District prohibits retaliation against any person for the purpose of interfering with a right or privilege under this policy; the complainant; or a person who, in good faith, makes a report or complaint, serves as a witness, or otherwise participates or refuses to participate in an investigation, proceeding, or hearing under this policy. This prohibition does not apply to discipline of a person who perpetrated or assists in the perpetration of the prohibited conduct.

A person who is alleged to have experienced retaliation may pursue a claim under this policy or [WCJC Policy DIAA](#), as appropriate.

Appeal

- A. Suspension - If the Decision Maker, or designee, determines that a student committed prohibited conduct that warrants a suspension, the official shall forward the determination and all evidence collected during the investigation and hearing to the College President. A conference shall be scheduled within ten (10) days of the notice of determination in accordance with [WCJC Policy FMA](#), beginning at "Appeal to College District Administration."

Records Retention

Retention of records shall be in accordance with the College District's records retention procedures.

SECTION 13: HEALTH INFORMATION AND RESOURCES

ALCOHOL AND SUBSTANCE ABUSE AWARENESS

The legal drinking age in the state of Texas is 21 years or older. [WCJC Policy FLBE](#) prohibits the use, possession or distribution of narcotics or dangerous drugs or alcoholic beverages on college-owned or college-controlled property or at any college sponsored event or activity. Possession of such items on college property or at college-sponsored events is grounds for disciplinary action, up to suspension or expulsion from the College. The College reserves the right to inspect vehicles, residence hall rooms, and other items.

Health effects of alcohol and other drugs can be found on the [WCJC Alcohol and Drug Abuse Resources webpage](#). On this same webpage, you will find policies pertaining to Alcohol and Drug use, as well as assistance and educational programs and community resources.

Students concerned about personal alcohol or substance use and abuse or that of a family member or friend, should contact a WCJC counselor. Counselors are available to provide referrals for treatment

programs and specialized counseling. Information shared with the College's counselors will remain confidential.

TOBACCO USE AND POSSESSION

Tobacco use is prohibited on campus, except in parking lots. This includes all forms of tobacco, including e-cigarettes.

Effective September 1, 2019, the legal age to possess, purchase, or use tobacco products changed from 18 to 21 years old, per Texas Senate Bill 21. The new law states the following:

- Possession of Tobacco by a Minor - A minor commits an offense if the minor possesses, purchases, consumes, or accepts a cigarette or tobacco product.
- Misrepresentation of Age by a Minor - A minor commits an offense if the minor falsely represents himself or herself to be 18 years of age or older by displaying proof of age that is false, fraudulent, or not actually proof of the individual's own age in order to obtain possession of purchase, or receive a cigarette or tobacco product.

BACTERIAL MENINGITIS

Bacterial meningitis, an inflammation of the membranes that surround the brain and spinal cord, is a serious, potentially deadly disease that can progress extremely quickly. It is easily spread by direct contact, or by droplets of respiratory secretions (coughing, sneezing, kissing, and mouth-to-mouth resuscitation). This disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. Although treatment is available, those who survive may develop severe health problems or disabilities.

Bacterial meningitis symptoms are often confused with the common flu. However, the symptoms can progress rapidly and lead to long-term severe health problems or death.

Vaccines are the most effective way to protect against certain types of bacterial meningitis. There are vaccines for 4 types of bacteria that can cause meningitis.

- Meningococcal vaccines help protect against *N. meningitidis*
- Pneumococcal vaccines help protect against *S. pneumoniae*
- *Haemophilus influenzae* serotype b (Hib) vaccines help protect against Hib
- Bacille Calmette-Guérin vaccine helps protect against tuberculosis disease, but is not widely used in the United States

Risks associated with vaccines include soreness, redness, or swelling where the shot is given, tiredness, fatigue, headache, muscle or joint pain, fever, chills, nausea, or diarrhea can happen after meningococcal B vaccination. Some of these reactions occur in more than half of the people who receive the vaccine.

Texas Senate Bill 1107 requires all students entering an institution of higher education, who are 21 years of age or younger, to demonstrate proof of vaccination against bacterial meningitis. Vaccinations must have been received within the previous five (5) years, and no later than 10 days prior to the first day of the semester.

AIDS / HIV

HIV is the virus that causes AIDS (Acquired Immune Deficiency Syndrome). HIV damages your immune system, making it easier for you to get sick. If HIV is left untreated, it can wreak havoc on a person's immune system, making the body less able to fight off infections. According to the CDC, about 1.5 million adults and teens are living with HIV infection in the U.S. You cannot have AIDS without being infected with HIV, but people can, and do, live long lives (on treatment) with HIV and never develop AIDS.

How does HIV Spread?

HIV is carried in semen, vaginal fluids, anal mucus, blood and breast milk, and most people contract HIV through anal or vaginal sex or sharing needles syringes. HIV is not transmitted through saliva, sweat, or tears. It is not spread through casual contact like hugging, holding hands, coughing or sneezing. And you can't get it from toilet seats, bedding, swimming pools or insect bites.

If you know you've been exposed to HIV, the best way to feel confident in your status is to get tested. HIV can't be cured, but it can be controlled and much of the damage from the infection can be reversed or prevented. However, if HIV is left untreated, serious infections and cancers occur because of the weakened immune system.

HIV Prevention

There are many ways to prevent the spread of HIV. Using condoms every time you have sex and not sharing needles can help protect you and your partners from HIV. If you don't have HIV, there is also a daily medication called PrEP that can protect you from HIV.

WCJC POLICY REGARDING COMMUNICABLE DISEASES

WCJC does not discriminate in enrollment against any student solely on the grounds that the student has a communicable disease. A student may not be denied access to College facilities, programs, functions or activities solely on the grounds that the student has a communicable disease. However, if the College makes a medically based determination that the restriction is necessary for the welfare of the person who has the communicable disease and/or the welfare of the campus community, WCJC reserves the right to exclude a person with a communicable disease from College facilities, programs, functions or activities. [Read full WCJC Policy FFAC on Communicable Diseases.](#)

Disability Services for Students

The Office also provides academic accommodations for students with disabilities. The College abides by the Americans with Disabilities Act of 1990 (ADA) and the ADA Amendments Act of 2008, Section 504 of the Rehabilitation Act of 1973 and other legal mandates that stipulate qualified students with disabilities receive accommodations to provide equal access to programs and opportunities at the College. If a student has a documented disability, reasonable and appropriate academic accommodations for students who qualify under the law are available. Disabilities may be defined by the following:

- learning disabilities
- physical limitations
- health impairments
- psychiatric disabilities

Students should set an appointment with the Director of Counseling and Disability Services to review the nature and history of the disability as well as present concerns related to the educational environment. Students who receive services are responsible for sending their accommodation letters to their instructors, in addition to renewing services each semester. Accommodations are not retroactive. For information regarding the procedures required to obtain academic accommodations at WCJC, please visit the [Disability Services webpage](#). For an appointment or additional information, contact the Counseling and Disability Services office at DisabilityServices@wcjc.edu.

Americans with Disability Act (ADA) Complaint Process

The ADA complaint process was established to comply with the Americans with Disabilities Act (“ADA”)/Section 504 mandate to “provide for prompt and equitable resolution of complaints alleging any action that would be prohibited.” If an individual has been denied an accommodation that they requested and would like to appeal the denial, the individual may file a complaint through the process detailed below. During the complaint process an individual should continue to fulfill academic requirements until a final determination has been provided.

A faculty or staff member, who is asked to implement an approved accommodation for an individual but does not agree with the determination, may also utilize the Disability Services Complaint Process. A faculty or staff-initiated complaint cannot delay the implementation of an accommodation which Disability Services believes to be in compliance with ADA – Section 504.

Any individual who requires an accommodation to participate in the Disability Services Complaint Process may request that accommodation by contacting Disability Services or the Director of Counseling and Disability Services for assistance. The contact information is shown at the bottom of this screen.

Step 1:

If informal discussions with appropriate WCJC personnel have not resolved the issue, the individual shall submit a written or recorded complaint to the Director of Counseling and Disability Services or their designee no later than twenty (20) working days of notification of the accommodation or its denial.

The complaint shall include the reason for the appeal as well as any additional information the individual would like to submit regarding the disability-related need for the accommodation.

Step 2:

The Director of Counseling and Disability Services shall meet with the individual within seven (7) working days of the receipt of the complaint.

During the discussion with the Director of Counseling and Disability Services, or designee, the individual should be prepared to explain why the denied accommodation is needed to address the current impacts of their disability at WCJC (having received an accommodation from a previous institution or in the K-12 system is not in itself a sufficient basis). If the individual is objecting to the approval of an accommodation they are to implement, they should be prepared to explain the basis for their objection.

The Director of Counseling and Disability Services, or designee, will make a decision regarding the individual's appeal within five (5) business days. The Director's decision will be in writing and will be sent to the individual's WCJC email address. If through the appeal process the accommodation is granted, then the accommodation will be granted moving forward. Accommodations are not retroactive.

Step 3:

If the individual still feels the issue is not resolved, the individual may then file an appeal with the Dean of Student Success within ten (10) business days of the Director's determination. This is the final step – the decision of the Dean of Student Success or their designee is WCJC's final determination on the matter.

In order to appeal at this level, the individual must provide the Dean of Student Success with:

- New information that was not provided to the Director of Counseling and Disability Services, or
- Information that the individual believes shows they were not provided with due process by Director of Counseling and Disability Services.

The Dean of Student Success or their designee will review and address the matter. In undertaking a review of the complaint, the Dean of Student Success may interview, consult with, and/or request a written response to the issues raised in the complaint from any individual they believe to have relevant information.

The Dean of Student Success or designee will make a decision regarding an individual's appeal within seven (7) business days. The Dean's decision will be in writing and will be sent to the individual's WCJC email. (If the individual does not have a WCJC email, it will be sent to the provided email.) If through the appeal process the accommodation is granted, it will be granted moving forward. Accommodations are not retroactive. Should additional time be necessary, the Dean will notify the individual and the Director of Counseling and Disability Services in writing.

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the ADA/Section 504 coordinator, may be directed to the College President.

A report against the College President may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the College's ability to investigate and address the prohibited conduct.

Investigation of the Report

The College may request, but shall not require, a written report. If a report is made orally, the College official shall reduce the report to written form.

- A. Initial Assessment - Upon receipt or notice of a report, the College District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the College District official shall immediately authorize or undertake an investigation, except as provided below at Criminal Investigation.

If the College District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the College District official shall refer the complaint for consideration under the appropriate policy.

Interim Action - If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the College District shall promptly take interim action calculated to address prohibited conduct prior to the completion of the College District's investigation.

- C. College District Investigation - The investigation may be conducted by the College official or a designee or by a third party designated by the College, such as an attorney. The investigator shall have received appropriate training regarding the issues related to the complaint and the relevant College's policy and procedures.

The investigation may also include analysis of other information or documents related to the allegations.

- D. Criminal Investigation - If a law enforcement or regulatory agency notifies the College District that a criminal or regulatory investigation has been initiated, the College District shall confer with the agency to determine if the College District's investigation would impede the criminal or regulatory investigation. The College District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, the College District shall promptly resume its investigation.

Concluding the Investigation

Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the College to delay its investigation, the investigation should be completed within ten (10) College business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the College official overseeing the investigation.

Confidentiality

To the greatest extent possible, the College shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A party who is dissatisfied with the outcome of the investigation may appeal through the applicable grievance policy beginning at the appropriate level [see [College Policy FLD](#)]. A party shall be informed of his or her right to file a complaint with the U.S. Department of Education Office for Civil Rights.

SECTION 16: RESIDENCE LIFE

Residence halls are provided for the primary purpose of allowing students to live on campus while pursuing their education. The Residence Life staff work to create an environment where every individual feels secure, independent, respected, and at home. We therefore hold all residents and their guest to the highest intellectual and moral standard. It is the responsibility of each resident to become familiar with these Residence Hall policies and procedures, as well as the overall Student Handbook

which states the rules, regulations and conduct expected of all WCJC students.

RESIDENCE HALLS

There are two on-campus residence halls. Both Mullins Hall and Frankie Hall are traditional residential facilities, managed by a Residence Life Supervisor and resident assistants. Mullins Hall is the home to approximately 53 female residents each year, and Frankie Hall is the home to approximately 74 male residents each year.

Residence Halls are open throughout the fall and spring semesters and are closed during the summer terms and during winter break. The Halls will also close for college holidays such as Thanksgiving, Spring Break, and Easter Break.

A student must be enrolled in 12 or more semester credit hours to be eligible to live in campus housing. Children and/or spouses are not allowed to live in campus housing with the resident. To reserve a room, a student must complete a housing application and pay a deposit and criminal background check fee. All students residing in campus housing are required to purchase a meal plan.

RESIDENCE LIFE POLICY AND PROCEDURES

The following policies and procedures apply to any person who is on residential properties of the College. We ask that all residents communicate policies to their guests, as guests are expected to respect and adhere to all policies outlined below when visiting residential facilities. Residents will be

held responsible for their own actions and that of invited guests. It will be assumed that all residents have read and understand these policies.

A. Roommates

1. Roommates must be of the same-gendered persons. Roommate relationships must be platonic. Under no circumstance will students who are in a romantic relationship be permitted to live together.
2. Roommate conflicts. Whenever roommates are experiencing conflict, the Residence Life staff will do its utmost to assist them in resolving their problem. Except in extreme circumstances, the staff will first attempt to resolve the conflict by using a roommate contract. If, after a roommate mediation or two-week waiting period, the residents have not resolved their conflict, they may be permitted to change roommates, provided space is available. When roommates are unable to decide upon who will relocate, the staff will assist in making that determination. Generally, the person who is requesting the change in roommates will be the one to move. The requestor may not demand that his/her roommate be forced to move.
3. Room changes. In order to provide ample opportunities for roommates to adjust to their new environments, room changes will not be considered until the third full week of classes. If a resident desires a new roommate, he/she must locate a new roommate. Generally, the person who is requesting the change in roommates will need to be the one to move. The requestor may not demand that his/her roommate be forced to move. Additionally, space must be available to accommodate the change in roommates. The Housing Office must approve all housing changes. Any resident making an unauthorized change will incur a fine and may be required to return to his/her original space. A resident who is making an authorized room change must properly check out with the Residence Life Supervisor. The resident must then conduct a room inventory of the new room upon receipt of a new key. Failure to properly check out / in may result in a fine.
4. A resident who requests and is granted a room or roommate change will be expected to relocate within 48 hours of the request being approved.
5. Residents are expected to maintain a healthy and productive relationship with their roommate. The College may choose to sever its housing contract with the resident if the resident does not meet the minimum standards of a reasonable roommate, as determined by the Residence Life Supervisor, Director of Student Life or Dean of Student Success. The College may take such action for reasons including, but not limited to:

S. Contract Cancellation and Check Out Procedures

1. Termination of Contract – The College may require a resident to terminate occupancy during a semester if the resident:
 - a. Fails to abide by College and/or Residence Life policy.
 - b. Is not a full-time student, enrolled in a minimum of 12 credit hours, or has not received permission from the Dean of Student Success to be enrolled in fewer hours.
 - c. Is not enrolled as a student.
 - d. Fails to pay housing, board, tuition, or other College fees.
 - e. Fails to maintain room in proper condition or causes damage to housing property or space.
 - f. Demonstrates an inability to maintain a respectful relationship with a roommate or other residents.
 - g. Demonstrates an inability to maintain one's own safety and/or facilitate one's own personal care and/or is a threat to self or others due to a psychological, emotional, or medical condition. If staff members are unable to properly manage the resident's needs, the resident may be asked to vacate his/her housing unit.

Students who vacate or are dismissed from the residence halls for any reason during the semester will not receive a refund for room or board. Students who withdraw from the College prior to the first day of classes are eligible for a 100% refund of their residence hall and board fees. In order to receive a refund of \$200 (full residence hall deposit), a student must submit a request in writing to the Housing Office at least fifteen (15) days prior to the start of classes, a cancellation of residence hall reservation.

2. End-of-Semester – At the end of the semester, students must check-out of their room within 24 hours of the conclusion of their last exam. Students participating in graduation can make arrangements to remain in the residence hall until after the commencement ceremony with the Residence Life Supervisor.
3. It is the responsibility of the resident to properly checkout of campus housing at the end of the contract period or whenever moving out of campus housing. The resident must complete the appropriate paperwork and surrender keys, proximity card, and student ID in order to finalize checkout. Failure to checkout properly, completely, and on time will result in fines assessed to the resident.
4. Check out procedures:
 - Make an appointment with the Residence Life Supervisor to check-out.
 - Remove all belongings, clean the space (including the restroom), and pick up and dispose of all trash. Any items left behind or failure to clean room or remove trash will result in a fee assessed to the student's account.
 - Ensure all furniture is in room, including desk chair.
 - Complete Room Inventory Form.
 - Return the room key, proximity card, and student ID.
 - Accompany the Residence Life Supervisor during the room inspection.

Failure to check out properly will result in a fine applied to the student's account.

For non-returning residents, the \$200 deposit is refundable at the end of the semester upon written request of the student, when all monies owed by the student to all provisions of the housing contract have been satisfied. Any assessments left unpaid at the time the student leaves Wharton County Junior College will be deducted from the \$200 deposit. A student who vacates the residence hall at the end of term will have up to 30 days from the end of the semester to request the return of the deposit. If not requested within this time period, the deposit will be forfeited to the college.

5. **Abandoned Property** – College staff is not responsible for any student property left in the building. Belongings owned by a resident and left in a residence hall room after the room has been vacated are considered abandoned property. Belongings will be considered abandoned if left for three (3) days after the resident has moved out of the room. Residence Life staff will make no attempt to contact the resident when belongings are found in a vacant room. If items are not claimed in three days, they will be disposed of.
6. **Room Damages and Cleaning** – Damages to rooms and/or room furnishings beyond the limits of reasonable wear and tear will be charged to the assigned resident(s). A Room Inventory Form will be provided at move-in for the resident's protection against improper damage charges upon move out. Failure to submit a completed and signed Room Inventory Form upon check in may result in the resident being charged for all existing room damages upon check out. Cleaning charges will be assessed on a case by case basis, dependent on the state of the room upon move out (cleaning charges range from \$25-\$100 per student). Damage and cleaning charges in excess of the student's deposit will result in a hold being placed on the student's record. Charges can include the cost for the removal of items left in the room, damages, failure to clean the room or remove trash, failure to return key/proximity card/student id, and/or missing furniture. All charges will be assessed to both room occupants (in the case of the bathroom, all students sharing a bathroom) unless otherwise noted in writing to the Residence Life Supervisor that one occupant is at fault for the damages and/or left items in room. Charges will be posted to the student's College account.
