The institutional mission defines the role of the College and guides constituents’ perception of the institution’s responsibilities to the community it serves.

The WCJC Mission Statement is reviewed and reaffirmed on a biennial basis by the WCJC Board of Trustees (Board) during their May meeting. The Board will ensure that the College Mission Statement aligns with those items outlined within AD (LEGAL) and AD (LOCAL), along with Standard 2.1 of the Southern Association of Colleges and Schools Commission on Colleges Principles of Accreditation.

The WCJC Mission Statement is published in AD (LOCAL), on the WCJC website, and in the WCJC College Catalog.
