## WCJC STATEMENT OF MISSION

Wharton County Junior College is a public, two-year, comprehensive community college offering a wide range of postsecondary educational programs and services including associate degrees, certificates, continuing education courses, cultural affairs, and leisure-time activities for the benefit of the community and a population of students that varies in age, background, and ability.

The college affords opportunities for individual growth and expression and promotes the development of the total person through scholarly and creative activity and the application of knowledge for the good of society. Its curricular and co-curricular activities lay a foundation for lifelong learning and involved citizenship and encourage the pursuit of knowledge, innovation, experimentation, and excellence in human endeavor. It prepares students for entry-level positions, for advancement in various occupations and professions, for a broad understanding of the liberal arts and sciences, and for transfer to baccalaureate-granting institutions.

### *In fulfilling its mission, the college*

- + offers associate of arts, associate of arts in teaching, and associate of applied science degrees
- + offers transfer curricula in preparation for the baccalaureate degree
- + offers career/vocational curricula leading to certificates and associate degrees
- + offers remedial and developmental courses and services, as well as adult basic education, to assist under-prepared students to achieve competency in basic skills and thus gain access to college-level programs
- + supports excellence in instruction in all academic areas by the encouragement of faculty professional development for the improvement of teaching and learning through innovative teaching methodologies, research, and public service
- + provides library and other instructional resources as integral parts of the educational process
- + supports students in the learning process through counseling and academic advising
- + offers continuing education noncredit courses and programs to meet the needs of business, industry, government, and the community-at-large, and to contribute to the economic development of its service region
- + provides varied cultural opportunities, recreational activities, and community services to enhance the quality of life in its service region
- + actively cooperates with school districts, vocational-technical schools, other colleges, and universities to promote a more productive educational environment within its service region

## VISION

Wharton County Junior College is committed to creating a culture of engagement, inclusion, and success for our diverse student population, providing them with educational opportunities to improve their lives and the communities we serve.

## VALUES

### **Integrity**

We are dedicated to being open, honest, and responsible in our actions and words. This serves as the foundation for everything we do, as individuals and as a college community.

### **Quality**

We strive to provide an environment of educational excellence, shaped by the long-term goals of our students and community.

### **Commitment**

We are steadfast in the pursuit of our goals, both for our students and ourselves.

### **Student-Focused**

We value our students and their success beyond all else. We build trusting relationships grounded in fairness, equity, inclusion, access, and accountability.
