IMPORTANT INFORMATION FOR SUMMER SCHOOL FINANCIAL AID APPLICANTS

1. The priority application deadline for filing summer school financial aid applications is April 1, 2018. Applications filed after the deadline will be processed as time permits and your award may not be in place when payment is due and/or when classes begin. If your award is not in place you must pay your own expenses such as tuition, fees, books, supplies, etc. on or before all published deadlines or your classes will be cancelled.
2. If you do not have a 2017-2018 Student Aid Report (SAR) on file with the WCJC Financial Aid Office, and/or if you have not filed the 2017-2018 application for Federal Student Aid, you must do so immediately in order to complete your file by the April 1st deadline.
3. You must register for both Summer I and Summer II at the same time. If you are requesting a Federal Stafford Loan, you must be registered for both terms before a loan will be processed.
4. Transient students will not be eligible for Financial Aid.

I have read the above information and I certify that the information that I have provided is true and correct.
